Interpark THE ZONE ROSEBANK

Enter The Zone parking at the robots near the Gautrain.

Once you have driven ahead through the archway, to the left you will see Entrance B in front of you. Once you go through the entrance, you can either go up the lift (to the ground floor), or you can take the steps up one floor.

When you step out of the lift, Europa Art will be in front of you. Turn left from there towards the Spar.

At the Spar you take the right fork towards Food Lover's Eatery and Seattle Coffee.

As you walk past Food Lover's Eatery, you will see the WeWork entrance where you will sign in at the security and then take the lift up to Reception. There you will let them know that you are coming to see SAPOA and the name of the person you are visiting.
